# **BENEFITS OF PLEX ERP**

# KEY FEATURES FOR PLASTICS & RUBBER MANUFACTURERS

## **Cost and Quotes Management**

Use cost management that is completely embedded in every plant floor activity to deliver accurate quoting and estimating data.

## **Real-Time Inventory**

Use automated data collection for high-resolution, error-proofing, inventory tracking and traceability.

## **Integral Barcoding and Printing**

Capture every transaction to enable high-resolution traceability and even print customer-defined labels to streamline shipping and receiving.

## **Built-In Quality**

Enforce completion of checksheets through a common control panel to ensure that workstations are cleaned, maintained, and prepped to industry or customer specifications.

## **Supply Chain Planning**

Balance growth, cost, inventory, and productio

THE PLEX SMART MANUFACTURING PLATFORM
